

# FOR ALL EARTH KIND

© Sophie B Raymond/Tony King 2022

v.1

Bm

In 1969

F#

Every man, woman and child stood still

Bm

Face to the sky

We watched an earthly son

Bm

Put our first steps on

F#

the moon

G

In that fleeting point in time

We all belonged to one tribe

D

A

Inspired, by what human minds

G

Combined can do

Yet we're just one form of life

Blessed to share the same light

D

Of the sun

C

Em

at the earth rise

C

Only the size of the thumb

G

Of that man

Looking back

F#

to his home

all alone

from the moon

CHORUS 1:

G

***What's the next giant leap for humankind?***

Bm

***What kind of footprint do we leave behind?***

A

G

***Will the next giant leap, be the best giant leap for all earthkind?***

V.2

Bm

Now 50 years have gone

F#

And the stakes are higher than the moon

Bm

We race now with time

To heed the earth's distress

We need to curb excess

F#

Or be consumed

G

By her rising angry tide

But when we reached for the moon

We saw what we could all do

D

A

With our minds, when we combine

G  
To find a way through  
  
Cos it's just not rocket science  
  
D  
To understand our reliance on the sun  
C Em  
Earth, sea and skies  
C  
It's our moment in time  
G  
All for one  
F#  
We've already begun

#### CHORUS 2 & 3

G  
From one small step by a child  
Bm  
To one bigger step  
  
For our world to re-wild  
A  
The path will be steep  
G  
To the next giant leap  
  
G  
For all earth kind  
  
G  
***Take the next giant leap for earth kind***  
  
Bm  
***With one giant beat***  
  
***of our hearts and our minds***  
A  
***Make the next giant leap***  
  
G  
***The best giant leap***

G  
**For all earth kind**
